

Make the Wall Fall!

November 9-15

7th Annual International Week of Action Against Israel's Apartheid Wall

November 9th, 2009 is the 20th anniversary of the fall of the Berlin Wall. Use this anniversary to draw attention to Israel's apartheid wall.

Facts about the wall

- Israel's apartheid wall is three times the length of the Berlin Wall.
- Israel's wall was ruled illegal by the International Court of Justice, sections of the wall have also been ruled illegal by Israel's high court.
- Israel's wall mostly separates Palestinians from other Palestinians, not Palestinians from Israelis
- Israel's wall confiscates Palestinian farmland and water resources in contravention of international law.
- Israel's wall makes cuts Palestinians off from family, jobs, education, and even hospitals.
