Dear Members of Congress,

On June 10-11, 2007, thousands of people will gather in Washington, DC to protest the 40th anniversary of Israel's illegal military occupation of the Palestinian West Bank, East Jerusalem, and Gaza Strip.

I would like to add my voice to those supporting the political demands of this mobilization: An end to US military, economic, diplomatic, and corporate support for Israel's illegal military occupation of the Palestinian West Bank, Gaza Strip, and East Jerusalem and a change in US policy to one that supports a just peace between Palestinians and Israelis based on equality, human rights and international law, and the full implementation of all relevant UN resolutions.
