

US Campaign to
End the Israeli Occupation

"We aim to change those US policies that both sustain Israel's 40-year occupation of the Palestinian West Bank, Gaza, and East Jerusalem, and deny equal rights for all."

Dear Members of Congress,

In August 2007, the United States and Israel signed a Memorandum of Understanding to increase military aid to Israel by 25% over the next decade, totaling \$30 billion. Israel is already the largest recipient of U.S. military aid, which it uses to enforce its illegal military occupation of and commit human rights abuses in the Palestinian West Bank, East Jerusalem, and Gaza Strip, in violation of the Arms Export Control and Foreign Assistance Acts. I urge you to hold Israel accountable for its violations of U.S. laws and cut off military aid rather than increasing it.
