

WHAT UNCLE SAM GIVES TO ISRAEL

INTERNATIONAL DAY OF SOLIDARITY WITH THE PALESTINIAN PEOPLE—11/29/04

DID YOU KNOW

- Every year the United States government provides Israel with more than \$2 billion in military aid.
 - Israel uses this military aid to enforce its illegal 37 year-old occupation of the Palestinian West Bank, Gaza Strip, and East Jerusalem
 - Israel has used US military equipment to commit violations of human rights and both domestic and international law
 - US support for Israel's military occupation prevents the establishment of an independent Palestinian state, denies Palestinians freedom and democracy and prohibits the creation of a just and lasting peace between Israelis and Palestinians.
- Our tax dollars and diplomacy should be used to promote peace, justice, human rights and international law rather than military occupation.

WHAT YOU CAN DO

- 1) Sign a petition to the President-Elect demanding that he end US support for Israel's illegal military occupation and instead support human rights and international law. You can sign the petition right here or on-line at <http://www.endtheoccupation.org>.
- 2) Get involved locally. Join an organization in your community that is working to end US support for Israel's illegal military occupation. Contact information is below.
- 3) Get involved nationally. Learn more at the website of the US Campaign to End the Israeli Occupation (<http://www.endtheoccupation.org>). Sign up for email alerts, download fact sheets, and find out if your elected representatives support Israel's illegal military occupation.
